Dear Helen & Elmer,

Things have settled down
somewhat since the weekend.

Our friends from Chicago
stayed here Wed, Thurs, & Fri
& on Friday nite some
other friends from Noddy
came up too. We all
went out to a Chinese
restaurant & then everyone
stayed overnight. On
Saturday we all went down
to Frederickburg to join
more "old" friends for a picnic
(It sprinkled a little so
after the hamburgers were
cooked we went over to one couple's
house for the rest of the day.) All

in all, we had a great time seeing everyone together again.

I meant to write sooner to tell you how beautiful the afghan is that you made. Its colors are perfect for our apartment (which you'll have to come see now, too!) Everyone here for the weekend commented on it and we're so pleased with it. (We even used it tri. night when Jim & I slept on the floor - on the sleeping bag mattresses.

Jim is really on the go now. He's going to have to go to Chicago the end of next week so we'll get to "drop in" again on the friends up there. "Small World!"

Thanks again for the gorgeous afghan and the Olympia hat! Connie was impressed by the \$10 tag on it. Maybe she'll start selling hers. Love, Vicki & Jim
